<b>Barbering I</b>	<b>36 weeks/280 hours</b>	<b>Course No. 8740</b>
<b>Elective</b>		<b>3 credits</b>
<b>Prerequisite: Recommendation of Counselor</b>		<b>3 periods</b>

Barbering is the study of hair, scalp, and skin. Students study and prepare in a clinical lab setting, using mannequins and live models for manipulative practice. The program emphasizes safety and sanitation, communication, and management skills. Related areas of study include psychology, ethics, and professional image. Competency completions prepare the students to work or apprentice in a local barber shop or beauty salon.

<b>Barbering II</b>	<b>36 weeks/280 hours</b>	<b>Course No. 8741</b>
<b>Elective</b>		<b>3 credits</b>
<b>Prerequisite: Barbering I</b>		<b>3 periods</b>

Students apply their knowledge of barbering skills in a clinical lab setting, using mannequins and live models for manipulative practice. The program emphasizes safety and sanitation, communication skills, and management of a barber shop or beauty salon. Related areas of study include psychology, ethics, and professional image. Competency completions prepare the students for the Virginia State Licensing Exam. The cooperative education method is available for this course. Students combine classroom instruction and supervised on-the-job training in an approved position with continuing supervision throughout the school year.

### Major Units of Study

Orientation to Barbering	Anatomy & Physiology
The Science of Barbering	Chemistry
Professional Barbering	Male Facial & Shaving
Advance Barbering Services	Male & Female Hair Design
Chemical Texture Services	Hair Coloring & Lightening
State Board Preparation	Barbershop Management

### Desirable Aptitudes

A student entering this field of study should have an interest in people and a pleasing personality. Good grooming, dexterity, coordination, a sense of form, good color concepts, and artistry are important traits to possess. Communication skills, knowledge of the basic art principles, and a basic understanding of chemistry and math is desirable.

### Employment Outlook

Qualifying students (those who have maintained a C average with fewer than five absences for the year) will be eligible to participate in the work experience program during second semester. Students in this program work in the salon as beginning barbers. Students who have met all competency requirements will sit for their state board testing during the fourth nine weeks of school. Successful students will be licensed barbers upon graduation. After receiving this license, no additional training is required for entry-level positions in a barbering salon environment. Salaries are determined only by the ability and ambition of the individual.
