# PHARMACY TECHNICIAN

## PHARMACY TECHNICIAN

36 weeks

Course No. 8305/8306

Elective 3 high school credits  
and 3 college credits

### Description

The Pharmacy Technician program provides students with the skills needed to assist pharmacists in the delivery of health care services to clients in a variety of settings. Students will also receive instruction that will enable them to sit for state and national certification exams.

Students will learn the following:

- Information about related careers
- Communication methods in the pharmacy setting
- Safety procedures
- Skills to assist pharmacists in preparing and dispensing medication
- Maintenance of medication inventory and inventory control systems
- Information about the administration and management of a pharmacy practice

Earn dual enrollment with Reynolds Community College.

### Related Occupations

- Pharmacist
- Nurse
- Medical Assistant
- Laboratory Technician
- Bio-medical Technician
- Medicine

### Certifications

Students who successfully complete the requirements for the Pharmacy Technician program will be better prepared to take the Virginia Board of Pharmacy State Exam or the Pharmacy Technician Certification Board's (PTCB) National Certification Exam.

*This course is offered at the ACE Center at Highland Springs.*
