

*Job Description*

Richmond residential contractor (new construction and renovations) is seeking a skilled carpenter to perform residential renovations. Successful candidate must have finish carpentry experience and be able to complete punch list items. The right candidate will possess excellent carpentry skills, positive attitude and strong communications skills. Candidate will have hand and basic power tools, a good driving record, neat appearance, and be able to pass drug test. Interested candidates should email their resume to the contact below.

*About James River Construction*

James River Construction was established in 1995, built upon a foundation of honesty, integrity and discerning craftsmanship. We're a premier residential contracting firm for the Richmond metropolitan area, and a preferred choice for building custom homes, additions and renovations. We also provide many other resources related to the construction process, including architectural design, consulting and project management.
