Career and Technical Education

Student Recognition

The Department of Workforce and Career Development proudly recognizes students in the career and technical and JROTC courses for their outstanding achievements. We congratulate the faculties of our secondary schools for providing the leadership that distinguishes our department as a leader in the Commonwealth.

This booklet of recognition is a chronology of student achievement, recognizing first, second, and third place winners at the state, regional and district levels and all place winners and participants at the national level. We salute the parents and teachers for making the 2019-2020 school year a tremendous success in Career and Technical Education and JROTC.

Please note: Several student competitions were not completed due to COVID-19.

Mac R. Beaton
Director of Workforce and Career Development
