Join us on Tuesday, February 9th, 6:00 – 7:30 PM for our virtual **Life Ready Expo: Health Services**

Do You Like To…

- **Help people stay healthy?**
- **Work in a fast paced, often pressure-filled environment?**
- **Show empathy and compassion to others?**
- **Interested in the human body?**
- **Enjoy math and science?**
- **Care for animals?**

Then join us to meet with industry partners from the fields of Health & Veterinary Science:

- **Medical Professionals**
- **Nurses, Health Aides**
- **Emergency Medical Technicians, Paramedics**
- **Therapeutic Services**
- **Pharmacy Technicians**
- **Veterinary Science**

Area Students, grades 7 -12, and their caregivers will have the opportunity to virtually talk with employers to learn about lucrative career opportunities for students, the corresponding educational requirements, compensation, as well as answer questions about their business. careers pathways.

Student registration is not required. The virtual event will be conducted using Microsoft Teams. Attendees can take part using a browser without creating a Teams account. To attend on Tuesday Feb.9th, join from the following link:
